

Water Purifier

# WP-A01EGR

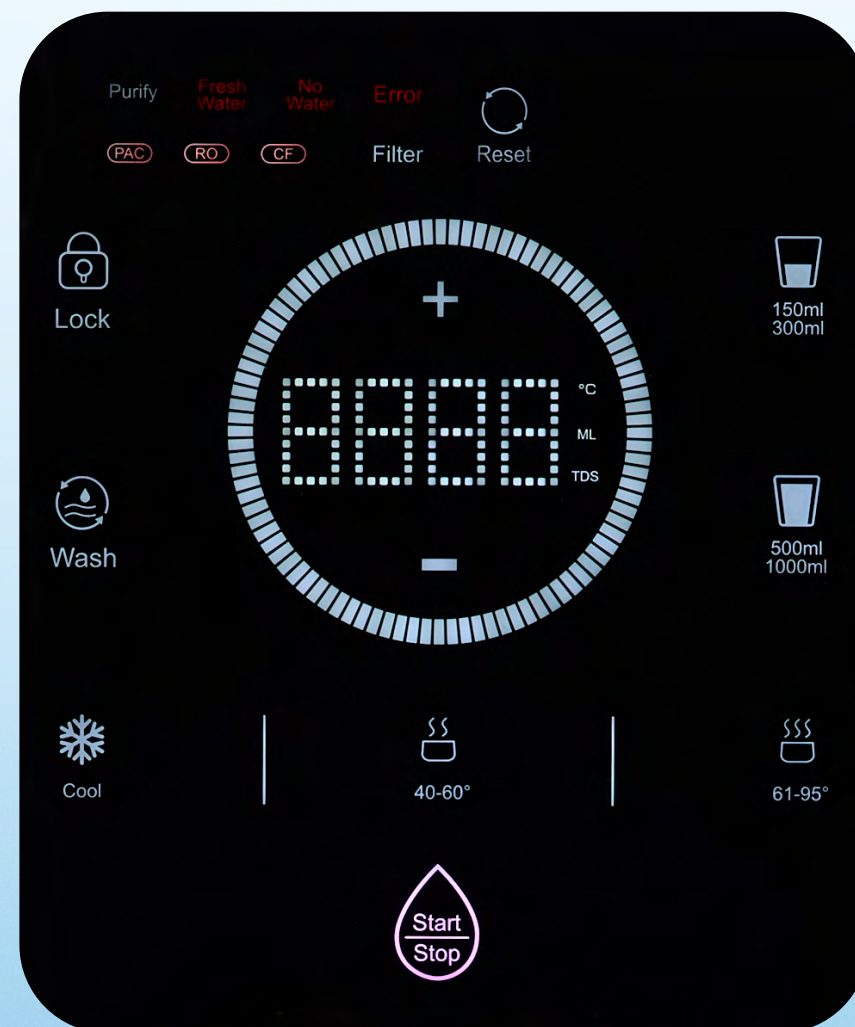

HUROM

# AN ALL-IN-ONE TABLETOP WATER PURIFIER

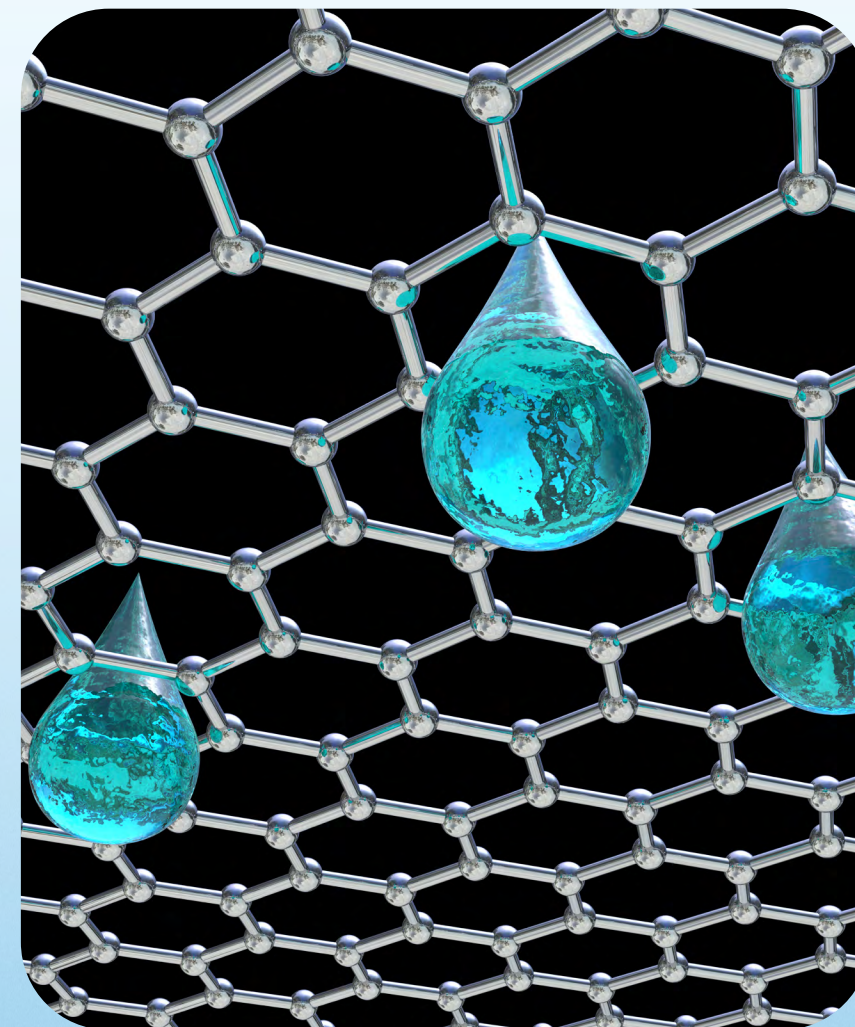

Cold, hot and purified water in a single compact unit

EASY TO USE, BUILT FOR RELIABLE PERFORMANCE EVERY DAY.

## *Perfect Temperature*

Set the Exact Temperature You Want  
1°C Precision Control— from tea to  
baby formula.

## *3-stage Filtration system*

The 3-stage filtration system delivers  
Powerful purification performance.

## *High-efficiency*

Increases purification efficiency to 68%  
(6L of purified water).

CLEAN LIVING STARTS HERE

## for Everyday Hygiene and Safety.

### UV sterilization

A UV sterilization system designed to maintain water tank hygiene.

### Child lock

The hot water child lock function helps prevent unexpected accidents involving children

CLEAN LIVING STARTS HERE

# Systematic 3-stage filtration

and white LED lighting**

## Product Specification

|                        |  |
|------------------------|--|
| <b>Model Name</b>      | WP-A01EGR  |
| <b>Rated Voltage</b>   | 220-240V 50/60Hz   |
| <b>Type</b>            | Cistern-fed Type   |
| <b>Product Weight</b>  | 14kg   |
| <b>Filter</b>          | PAC / RO / CF  |
| <b>Dimensions (mm)</b> | 248*482*432  |
| <b>Components</b>      | Main Unit / Water Tank / Drip Tray / 3 Filters                         |
| <b>Function</b>        | Child Lock / Energy-Saving Mode / UV Sterilization / ERP Certification |
